

LanTEEAL 2.0

agricultural library in a box

global research

- Over a quarter million articles of agricultural literature from 56 publishers
- 136 journals spanning 1993-2006
- Updated annually
- Subject scope includes agronomy, crop science, economics, plant breeding, livestock production, microbiology, environmental science, and more

enhanced features

- Powerful, advanced search options
- View, save and print articles, abstracts, and citations
- Unlimited instant access to full-text articles from networked computers
- New, easy-to-use interface
- 22 new titles

size and specifications

- External hard drive with 500 GB capacity
- USB 1.0/2.0 connection (USB cord included)
- AC power adapter included (may need a plug adapter for connecting to wall outlet)
- PDF articles open in Adobe® Reader® (included)
- Entirely offline—no Internet connection needed

system requirements

- Windows 2000, XP, Vista, or Windows Server 2000+
- At least one PC; local area network if desired
- LanTEEAL cannot run on Macintosh® OS or Linux

cost and value

- LanTEEAL 2.0 costs US \$6500 (courier delivery included)
- Annual updates cost US \$1000 each
- Retail value of all TEEAL content exceeds \$1 million
- Discounts for bulk orders and for institutions with older CD TEEAL and LanTEEAL sets

LanTEEAL 2.0 is the latest version of The Essential Electronic Agricultural Library. Use our new, updated interface to easily retrieve the articles you want - on demand, at your fingertips. Find just the right article or citation with our large, searchable database of index records provided by CAB, Biosis, PubMed, and Econlit.

Access thousands of peer-reviewed articles without the high subscription costs of most international journals. LanTEEAL sets have already been purchased by institutions in 55 countries. See what they are excited about!

"[The] TEEAL database is our best electronic resource...Students and researchers use it heavily."

Africa University, Zimbabwe

"We are very happy we have full text...Now we are preparing more articles for publication."

ICARD, Vietnam

An entire agricultural library on a small hard drive for easy sharing across your entire network.
